25th February 2014

Dear Sir,

We are indeed glad that as per the directions of the Municipal Commissioner; to hold a round of stakeholder meetings with experts and all the wards, the MCGM conducted the meetings to solicit feedback from the various stakeholders. With reference to the meeting that was held on the 15th of January 2014 to discuss the issue of Urban Form of Mumbai please find enclosed the Minutes of the Meeting along with the set of recommendations that we have collated form the various stakeholders.

We believe that these will be very helpful while finalizing the Proposed Land Use Plan, Report and the Development Control Regulations that will come in force.

Thank you for such an opportunity

Sincerely

Pankaj Joshi
