Dear Sir,

We are indeed glad that as per the directions of the Municipal Commissioner; to hold a round of stakeholder meetings with experts and all the wards, the MCGM conducted the meetings to solicit feedback from the various stakeholders. With reference to the meeting that was held on the 5th of February 2014 to discuss the issue of Digital Inclusion and Information and Communication Infrastructure in Mumbai please find enclosed the Minutes of the Meeting along with the set of recommendations that we have collated from the various stakeholders.

We believe that these will be very helpful while finalizing the Proposed Land Use, Report and the Development Control Regulations that will come in force.

Thank you for such an opportunity
Sincerely

Pankaj Joshi
